CESC Rolls Out New Stock Connect Information Portal

China Exchanges Services Company Limited (CESC) rolled out the new Stock Connect Information portal today that provides a convenient gateway to access Stock Connect information for various market participants.

CESC Portal is a consolidated page with data related to Northbound and Southbound trading under Stock Connect, including searchable company announcements and company profiles.

“CESC is dedicated to contributing to the integration of China’s capital markets and the world,” said CESC Chief Executive Mao Zhirong. “By establishing this Stock Connect information portal, CESC has created an easy-to-use, comprehensive and convenient way for market players to find important information related to Stock Connect.”

For more information about CESC’s Stock Connect Information portal, please visit the CESC website (<http://www.cesc.com/en/Stock-Connect-Information-Services.html>).

About CESC

CESC is a joint venture formed and equally owned by Hong Kong Exchanges and Clearing Limited, the Shanghai Stock Exchange and the Shenzhen Stock Exchange. Its aim is to contribute to the development of China’s capital markets. Registered and incorporated in Hong Kong, CESC was officially launched in September 2012 and commenced operations on 30 October. CESC’s principal businesses include compiling cross-border indices based on products traded on the Hong Kong and Mainland securities markets, developing industry classifications for listed companies, and developing information standards and information products. CESC also develops financial products to link the Mainland and Hong Kong markets with global investors. China Securities Index Company Limited is commissioned to calculate, provide index maintenance and dissemination service for the CES indices.
